## ABOUT US

---

Metro Fire Systems L.L.C is one of the leading fire systems company based in UAE established in 2008. Since then we are into design, supply & installation, Annual Maintenance Contracts, Civil Defence approvals of Fire protection systems. Today we are an ISO 9001 : 2015 certified Fire Protection System company for Complete Design, Supply & Installation across UAE for Competitive Pricing, lead times, quality and civil defense certified professional team.

Metro Fire has diversified skill set which enables it to provide its clients with best-in-class professional end to end services in the field of Fire System. Metro Fire business strategy is built on cultivating long term relations with its clients.

Metro Fire is determined on satisfying and retaining its clients who understand and value business. The service plus management approach is our commitment to meet the needs of our clients and to ensure that as we assure the safety of property, they can continue to focus on their business.

Our operations are aligned with strong focus on health and safety environment and quality concerns with abundant resources of highly skilled and self-motivated engineers and staff which makes us a perfect choice for solving any kind of fire systems work. We believe in setting a high standard and we are prepared to work hard to make your project a success.

We are A Grade approved by Civil Defense Authorities of Abu Dhabi, Dubai, Sharjah, Ras Al khaimah & Fujairah

## COMPANY PHILOSOPHY

---

- For Us reliability is the cornerstone of our business and our commitment to our customers. We believe in clear communication, in keeping our word, in holding the goals of our customers at the forefront, in finding answers and making sure our customers get everything they need, right when they need it. Whether you are a customer, vendor or a fellow team member, we will never let you down.
- We care deeply about our employees & customers.
- We believe in the importance of team work. Our employees are the most important asset of our company embracing professionalism, pride, integrity, commitment, compassion, camaraderie, concern, caring and legacy.
- All the activities of us are carried out by professionally qualified and experienced personnel.

### OUR MISSION

Lead the fire safety industry with world-class products and services that provide complete and innovative fire safety solutions to protect the life, environment & property

### OUR VISION

To empower customer to secure life, environment, property and business by providing high quality & innovative fire protection solutions

## CORE VALUES

---

### 01 HONEST

Metro fire system employees are open, candid and truthful.

### 02 INTEGRITY

Metro fire system employee's word is their bond what they commit and live up to the highest standards of fairness and ethical behaviour.

### 03 RESPECT

Metro fire System employees work hard to earn business partners trust and respect on every project they undertake.

### 04 DYNAMIC CULTURE

Metro Fire System employees constantly seek new opportunities to learn, to improve, to teach and to add value.

### 04 PASSION

Metro Fire System employees love what they do, taking the lead and leading by example.

## OUR SERVICES

Our services includes Design, Supply & Installation, Annual Maintenance Contracts and Civil Defense Certifications.

With well trained and experienced technicians, engineers and highly qualified managers we provide all fire system related services to our clients with customer satisfaction as our prime objective.

### DESIGN

Our design engineers are factory trained & certified to design a wide range of fire protection systems including fire alarm systems, Voice Evacuation System, Emergency Light systems, Fire Fighting Systems, Special Fire Suppression Systems etc.

### SUPPLY & INSTALLATION

Metro Fire Systems Supplies major fire system equipment's approved by UAE civil defense Authorities. Our trained engineers and experienced technicians provide expertise in installation and efficiency in completion of the projects by following strict code of practice.

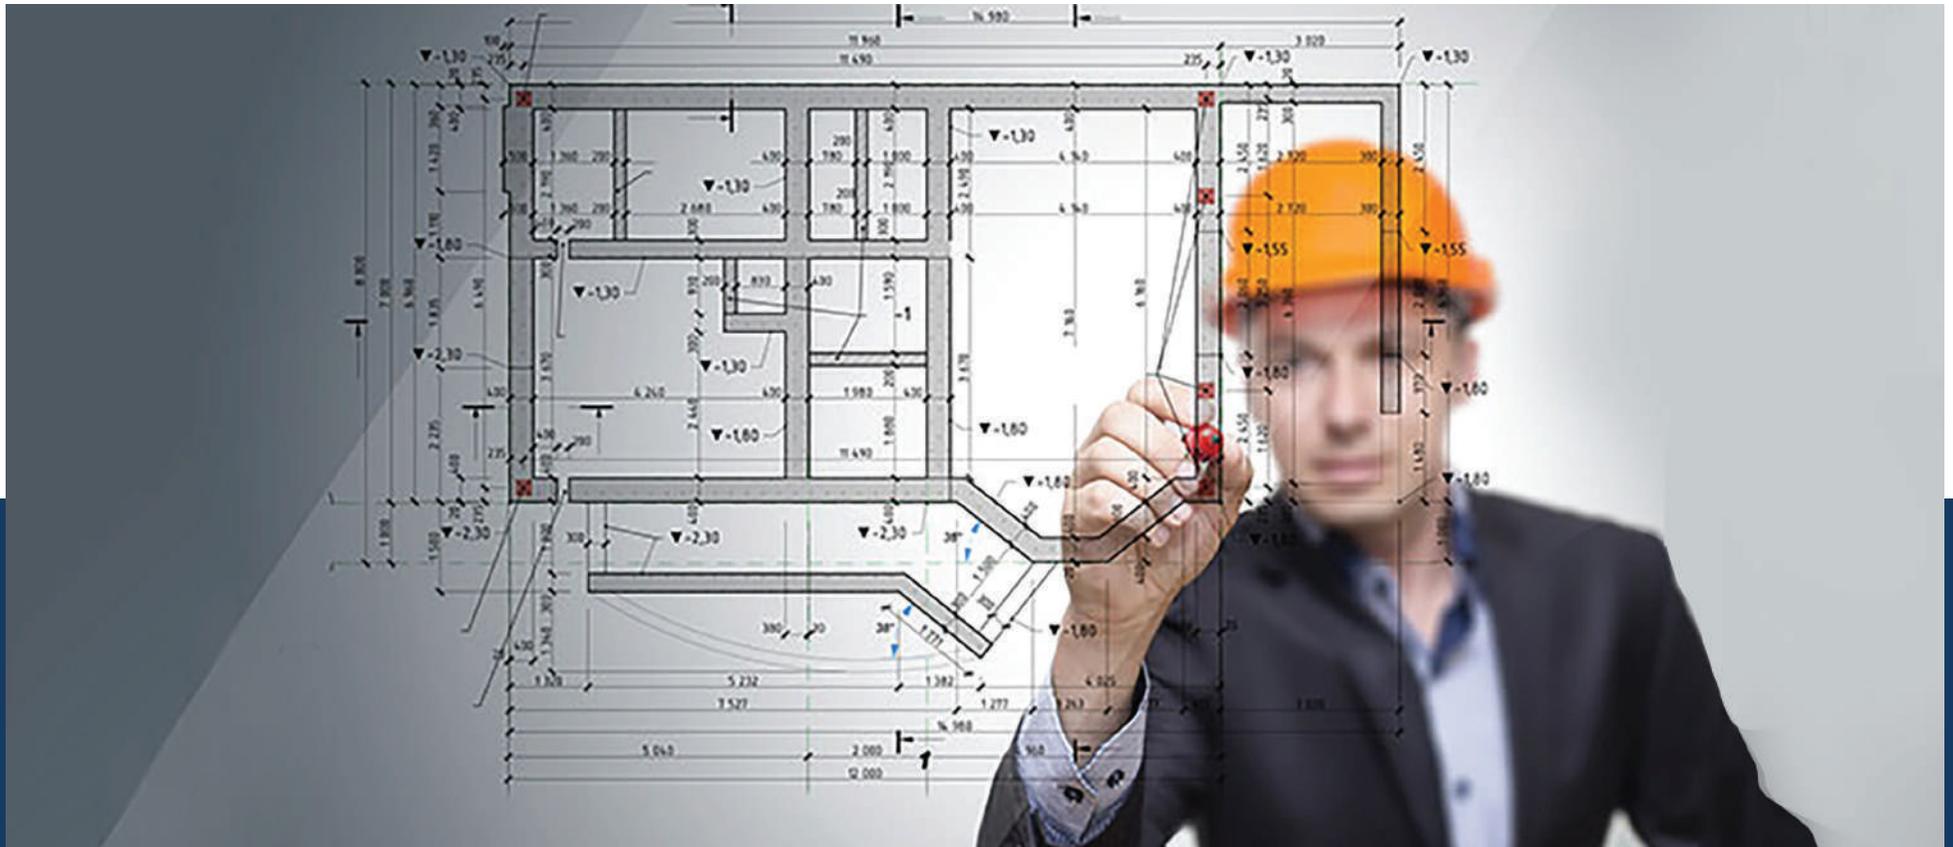

### ANNUAL MAINTENANCE CONTRACTS

Metrofire system is a leading provider of maintenance services across the region with a 100+ steady clientele. We offer complete maintenance solutions to residential, commercial infra structures, hotels, hospitals, schools, factories, warehouses and more.

# 01 DESIGN

Our design engineers are factory trained & certified to design a wide range of fire protection systems including Fire Alarm Systems, Voice Evacuation Systems, Emergency Light systems, Fire Fighting Systems & Special Fire Suppression systems etc.

The design of any fire-protection system is an exact science that takes into account a building's use, occupancy, footprint and even its other installed systems. Our innovative ideas in the design of high quality fire protection products & systems provide solutions that prevent potential fire disasters.

## 02 SUPPLY & INSTALLATION

Metro fire Systems Supplies major fire system equipment's approved by UAE civil defense Authorities.

Our trained engineers and experienced technicians provide expertise in installation and efficiency in completion of the projects by following strict code of practice

- Fire Alarm & Voice Evacuation Systems
- Emergency Lighting Systems
- Public Address Systems
- Stand Pipe & Hose Systems
- Sprinkler Systems
- Fire Mains & Hydrant Systems
- Fire Pump Sets
- Clean Agent Systems, Other special Fire Suppression Systems & More

## 03 ANNUAL MAINTENANCE CONTRACTS

All your fire, security and infrastructure solutions are proactively managed by Metro Fire Systems L.L.C. in an end to end fashion so you can rest assured that they will work when you need them the most. Trained engineering team and technological expertise ensures that systems are managed efficiently and effectively.

A right team with the right attitude has been a crucial success factor for metro fire in managing services. Project execution time frames are increasingly reducing. Therefore high levels of co-ordination and co-operation combined with a different management approach are essential. Only when all concerned in a project operate on

the same level, the desired end result can be fully achieved. Experience and creativity set metro fire's managed services team apart.

The Maintenance services offerings include:

Once the client enters into this AMC, our team of trained engineers and technicians will visit the site and carry out Preventive Maintenance Services (PMS) which is ideally done once in 3 months. This is a proactive services which means that this Services are planned in advance in coordination with the clients and the calendar of our visits are shared for site clearances etc. Under this AMC the spare parts are also covered but the consumables are chargeable at prevailing prices.

## OUR OFFICIAL DISTRIBUTORSHIPS

Bristol Fire Engineering part of the Concorde – Corodex Group (CCG), was established in 1964 was one of the first fire fighting companies to receive an ISO 9001 certification in the Middle east, Placing a great emphasis on achieving international and third party approvals such as UL Listing, FM approval, LPCB, Kitemark as well as civil defense approvals.

Products : *Fire Pump Sets, Clean Agent Systems, Foam System, Sprinkler System, Fire Fighting Systems, Fire Hydrants, Valves, Fire Alarm Systems, Fire Doors etc.*
